The Dover Police Department conducts background investigations on all potential employees, inquiring into their suitability for employment. The information is necessary in order to conduct these investigations. We require information on matters such as citizenship and military service in order to determine whether you are affected by laws we must follow in determining who may be employed by this Department. We may not be able to offer you employment if you fail to answer these questions. We require that you provide to us your Social Security Number (SSN) in order to maintain accurate and complete records. The Dover Police Department may also use your SSN to make requests for information about you, but only where allowed by law. The information we collect using your SSN will be used for employment purposes only.

Information we have about you may also be given to Federal, State, and Local agencies for checking on law violations or for other lawful purposes.

Information collected in this booklet will be used for pre-employment investigative purposes except as authorized by law or statute. The Dover Police Department is committed to a policy of equality and opportunity for all prospective and current employees regardless of race, color, creed, sex, age, national origin, or disability, and does not discriminate on any such basis with respect to its activities, programs, or policies.
